### LIABILITY WAIVER

Hikes are strenuous activities and involve a certain amount of risk. Hiking and traveling to and from the trailhead may involve exposure to the forces of nature and to possible accident or illness in remote places without available medical facilities. It is up to you, the hiker, to make the final judgment as to your own suitability for the hike and for your willingness to take risk.

Participation in the hike amounts to your agreement to assume all risks and liabilities related to or resulting from all Club hikes. By your participation in this hike, you are agreeing not to hold PATC or any of its leaders, officers, or representatives liable for any injury, loss or damage to yourself or members of your family, pets or property arising from a consequence of a Club hike.
